

# Energise Ōtaki Agenda – April 2019

Wednesday 10, April 2019\*

6pm – 8pm

**Dr Gertrude Atmore Supper Room**, Memorial Hall corner Main and Aotaki Streets, Ōtaki\*

## 1. Special Announcement

Recognising that members are busy progressing projects, the Energise Ōtaki Committee has decided that Energise Ōtaki Community Meetings will change from monthly to every two months. Therefore, after this April meeting our next public meeting will be on Wednesday June 12, 2019 from 6pm – 8pm. We will also change locations as the Principal at Ōtaki College has generously offered their meeting rooms to Energise Ōtaki at no cost as it is an efficient use of the college facilities unused at that time. A big thanks to Andy and Ōtaki College. We will change the venue in June to the Whare Nui at Ōtaki College, Ōtaki. All are welcome.

## 2. Special Topic

Guest Speaker: Stuart Pritchard, Forest Lakes Organic Farm Ōtaki

Topic: Regenerative Farming: The Journey to Organics and the Rewards
